The bar chart displays the percentage of respondents who believe the current government is responsible for the economic crisis in Argentina. The data is presented for two years, 2022 and 2023, and is broken down by gender: Men and Women. The Y-axis represents the percentage, ranging from 0% to 100% in increments of 20%. The X-axis shows the years 2022 and 2023. For each year, there are two bars: a blue bar for Men and a pink bar for Women. In 2022, 70% of men and 60% of women believed the government was responsible. In 2023, 60% of men and 50% of women held this belief.
